Dolby Vision HDR

Revolution in vision. With incredible brightness, contrast, and color, JLED bring entertainment to life before your eyes. By fully leveraging the maximum potential of new cinema projection technology, Dolby Vision gives the result of a refined, lifelike image that will make you forget you are looking at a screen.

Android TV

Explore thousands of movies, shows, games and get answers to your questions on the big screen with Android TV

QLED

Designed to support over 90% of the DC1-P3 colour gamut, the Quantum Dot Android TVs provide astonishing levels of colour and image accuracy.
